INDEPENDENT AUDITORS' REPORT

The Honorable Tammy C. Stiles
Nassau County Property Appraiser
Nassau County, Florida

We have audited the accompanying special purpose financial statements of the general fund of the Nassau County, Florida, Property Appraiser (the Property Appraiser), as of and for the year ended September 30, 2012, as listed in the table of contents. These special purpose financial statements are the responsibility of the Property Appraiser's management. Our responsibility is to express an opinion on these special purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1 to the special purpose financial statements, the special purpose financial statements referred to above have been prepared for the purpose of complying with, and on the basis of accounting practices specified by, the *Rules of the Auditor General*, State of Florida, which practices differ from accounting principles generally accepted in the United States of America. The differences include the permitted omission of entity-wide, full-accrual, financial statements and the management's discussion and analysis. In addition, the financial statements referred to above are intended to present the financial position and changes in financial position of only that portion of Nassau County, Florida, that is attributable to the transactions of the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Nassau County, Florida, as a whole, as of September 30, 2012, and the changes in its financial position or where applicable, its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the special purpose financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Property Appraiser at September 30, 2012, and the changes in financial position of its general fund and the respective budgetary comparison for the general fund for the year then ended in conformity with the basis of accounting described in Note 1.

INDEPENDENT AUDITORS' REPORT
(Concluded)

In accordance with *Government Auditing Standards*, we have also issued a report dated January 3, 2013, on our consideration of the Property Appraiser's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

This report is intended solely for the information and use of the Property Appraiser and management, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

FINANCIAL STATEMENTS**

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS**

Note 1 - Summary of Significant Accounting Policies

The following is a summary of significant accounting principles and policies used in the preparation of the accompanying special purpose financial statements.

Reporting Entity

Nassau County, Florida (the County) is a political subdivision of the State of Florida. It is governed by an elected Board of County Commissioners (the Board).

The Nassau County, Florida, Property Appraiser (the Property Appraiser), is an elected official of the County pursuant to the Constitution of the State of Florida, Article VIII, Section 1(d). The Property Appraiser is a part of the primary government of the County. Although the Board and the Florida Department of Revenue approve the Property Appraiser's total operating budget, the Property Appraiser is responsible for the administration and operation of the Property Appraiser's office, and the Property Appraiser's special purpose financial statements do not include the financial statements of the Board or the other Constitutional Officers of Nassau County, Florida.

The operations of the Property Appraiser are funded by the Board of County Commissioners, the St. Johns River Water Management District, the Amelia Island Mosquito Control District, and the Florida Inland Navigation District. The receipts from the Board are recorded as other financing sources on the Property Appraiser's special purpose financial statements.

For financial reporting purposes, the Property Appraiser is deemed to be a part of the primary government of the County and, therefore, is included as such in the County's annual financial report.

Basis of Presentation

The accompanying financial statements include all funds and accounts of the Property Appraiser's office, but are not a complete presentation of the County as a whole. The accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General—Local Governmental Entity Audits*.

Section 10.556(4), *Rules of the Auditor General—Local Governmental Entity Audits* requires the Property Appraiser to only present fund financial statements. Accordingly, due to the omission of entity-wide, full-accrual financial statements and related disclosures, including a management's discussion and analysis, these financial statements do not constitute a complete presentation of the financial position of the Property Appraiser as of September 30, 2012, and the changes in its financial position for the year then ended, in conformity with Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, but otherwise constitute financial statements prepared in conformity with U.S. generally accepted accounting principles (GAAP).

The financial transactions of the Property Appraiser is recorded in one individual fund. This fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
(Continued)**

Note 1 - Summary of Significant Accounting Policies (Continued)

Basis of Presentation (Concluded)

The Property Appraiser reports the following fund type:

■ **Governmental Fund**

● **Major Fund**

- ▶ **General Fund**—The general fund is the general operating fund of the Property Appraiser. It is used to account for all financial resources, except for those required to be accounted for in another fund.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the special purpose general fund financial statements and refers to the timing of the measurements made, regardless of the measurement focus applied.

The modified accrual basis of accounting is followed by the general fund. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. The Property Appraiser considers revenues to be available if they are collected within 30 days of the end of the current fiscal period. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid.

Measurement Focus

The accounting and financial reporting treatment applied to the fixed assets and long-term liabilities associated with a fund are determined by its measurement focus. The general fund is accounted for on a spending or "financial flow" measurement focus. This means that generally, only current assets and current liabilities are included in the balance sheet. General fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they present a summary of sources and uses of "available spendable resources" during a period.

Budgetary Requirement

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with the Florida Statutes. An annual budget is approved by the Florida Department of Revenue for the general fund. Budget to actual comparisons are provided in the financial statements for the general fund, where the Property Appraiser has legally adopted an annual budget. All budget amounts presented in the accompanying special purpose financial statements have been adjusted for legally authorized amendments of the annual budget for the year.

Budgets are prepared on the modified accrual basis of accounting.

The Property Appraiser's annual budget is monitored at varying levels of classification detail. However, for purposes of budgetary control, expenditures cannot legally exceed the total annual budget appropriations at the individual fund level. All appropriations lapse at year-end.

NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Concluded)

Capital Assets

Tangible personal property is recorded as expenditures in the general fund at the time an asset is acquired. Assets acquired by the Property Appraiser are capitalized at cost in the capital asset accounts of the County. The Property Appraiser maintains custodial responsibility for the capital assets used by his office.

Compensated Absences

The Property Appraiser maintains a policy of granting employees annual leave based upon the number of years of employment. An employee can receive payment for such accumulated annual leave upon termination of employment in good standing up to a maximum of 360 hours. In addition, the Property Appraiser maintains the following policy for sick leave. Sick leave is accumulated at the rate of one day per month. Upon either appointment or election to county-wide office, death or retirement, an employee is entitled to be paid for his/her accumulated sick leave at the staff rate of pay, calculated up to a maximum payout of 720 hours.

Note 2 - Cash

At September 30, 2012, the carrying amount of the Property Appraiser's deposits was \$248,289 and the bank balance was \$303,216. Deposits in banks and savings and loan institutions are collateralized as public funds through a state procedure provided for in Chapter 280, Florida Statutes. Financial institutions qualifying as public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits times the depository's collateral pledging level. The Public Deposit Security Trust Fund has a procedure to allocate and recover losses in the event of a default or insolvency. When public deposits are made in accordance with Chapter 280, no public depositor shall be liable for any loss thereof. All of the cash deposits of the Property Appraiser are placed with qualified financial institutions, which mean they are insured or collateralized.

Note 3 - Employee Benefits

Defined Benefit Pension Plan

The Property Appraiser and all full-time employees are eligible to participate in the Florida Retirement System (the System). This System was created by the Florida Legislature and is a cost-sharing, multiple-employer defined benefit public retirement plan available to governmental units within the State of Florida. The System issues a publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000, or by calling (850) 488-5706.

Note 3 - Employee Benefits (Concluded)

Defined Benefit Pension Plan (Concluded)

The Property Appraiser and all full-time employees are eligible to participate in the System. Employees participating in the Pension Plan are entitled to a retirement benefit, payable monthly for life. If employed prior to July 1, 2011, the System provides for vesting of benefits after six years of creditable service. The vesting requirement changes to eight years of creditable service for those employed on or after July 1, 2011. For those employed prior to July 1, 2011, normal retirement is after 30 years of service or age 62. If employed on or after July 1, 2011, normal retirement is after 33 years of service or age 65. The monthly benefit received (1) average monthly compensation in the highest five years of creditable service; (2) creditable service during the appropriate period; and (3) the appropriate benefit percentage. Vested employees may retire early and receive reduced retirement benefits. Employees participating in the Investment Plan are vested after one year of service with no age requirement. The System also provides death benefits, disability benefits and cost of living adjustments. Benefits are established by Florida Statute.

The Florida Legislature has established a uniform contribution rate system for the FRS covering both the Pension Plan and the Investment Plan. Prior to July 1, 2011, members were not required to make employee contributions. Effective July 1, 2011, all FRS members (except those in DROP) are required to contribute 3% of their gross compensation on a pretax basis. The contribution rates effective as of June 30, 2012 and 2011, by member class are as follows: regular members (5.18% and 4.91%), DROP employees (5.44% and 4.42%), senior management (6.30% and 6.27%) and elected officials (10.23% and 11.14%). The Property Appraiser's contributions to the plan for the years ended September 30, 2012, 2011, and 2010, were \$59,535, \$107,236, and \$122,688, respectively, equal to the required contributions for each year.

Note 4 - Changes in Long-term Debt

The following is a summary of the changes in accumulated compensated absences of the Property Appraiser for the year ended September 30, 2012:

	Balance October 1, 2011	Additions	(Deletions)	Balance September 30, 2012
Accrued Compensated Absences	\$ 144,890	\$ 73,894	\$ (86,356)	\$ 132,428
Other Postemployment Benefits	198,031	59,852	0	257,883
Total Long-term Debt	\$ 342,921	\$ 133,746	\$ (86,356)	\$ 390,311

Accrued compensated absences represent the vested portion of accrued leave. See Note 1 for a summary of the Property Appraiser's accumulated compensated absences policy.

Other Postemployment Benefits (OPEB) represents the portion of the liability based upon current and retired employees of the Property Appraiser. See Note 5 for a description of OPEB.

The Property Appraiser's long-term debt is not recorded in the accompanying special purpose financial statements but is recorded in the statement of net assets as part of the basic financial statements of the County.

**NASSAU COUNTY PROPERTY APPRAISER
NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS
(Concluded)**

Note 5 - Other Postemployment Benefits

The OPEB plan is a single-employer benefit plan administered by the County. Retirees are charged whatever the insurance company charges for the type of coverage elected. However, the premiums charged by the insurance company are based on a blending of the experience among younger active employees and older retired employees. GASB Statement No. 45 calls this the “implicit rate subsidy.”

Retirees and their dependents (except for life insurance) are permitted to remain covered under the County’s respective medical and insurance plans as long as they pay a full premium applicable to coverage elected, subject to the direct subsidy in the following table. This conforms to the minimum required of Florida governmental employers per Chapter 112.08, Florida Statutes.

Percent of Direct Subsidy up to “Subsidy Base Maximum” of \$438.55

Years of Service With Nassau County	Hired Before 10/1/05	Hired on or After 10/1/05
At Least 6	100%	0%
15 Years	100%	50%
20 Years	100%	65%
25 Years	100%	80%
30 or More Years	100%	100%

Currently, the Property appraiser has 23 active employees and 5 retired employees who are considered participants in the plan for purposes of computing the OPEB obligation. The Property Appraiser’s portion of the OPEB obligation at September 30, 2012, totaled \$257,883. This liability will be included in long-term liabilities in the County-wide financial statements. Details of the annual cost, the accrued obligation, and the other required disclosures can be found in the County-wide annual financial report.

Note 6 - Operating Lease

The Property Appraiser’s office entered into an operating lease agreement with Pitney Bowes on February 18, 2009, for the lease of a postage meter, scale, and printer. The lease provides for 21 quarterly payments of \$242. The lease is for 63 months ending in 2014. Total lease payments of \$968 were made during the fiscal year ended September 30, 2012, for the mail processing machine.

The future minimum lease payments for the mail processing machine are as follows:

Year Ending September 30	Amount
2013	\$ 968
2014	242
Total	\$ 1,210

OTHER REPORTS

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF SPECIAL PURPOSE
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Tammy C. Stiles
Nassau County Property Appraiser
Nassau County, Florida

We have audited the special purpose financial statements of the Nassau County, Florida, Property Appraiser (the Property Appraiser), as of and for the year ended September 30, 2012, and have issued our report thereon dated January 3, 2013, which was modified to refer to a basis of accounting required for state filing requirements, and for other reasons. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Property Appraiser's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Property Appraiser's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's special purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information of the Property Appraiser and management, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

(Concluded)

- Section 10.554(1)(i)5., *Rules of the Auditor General*, provides that the auditor may, based on professional judgment, report the following matters that have an inconsequential effect on financial statements, considering both quantitative and qualitative factors: (1) violations of provisions of contracts or grant agreements, fraud, illegal acts, or abuse; and (2) deficiencies in internal control that are not significant deficiencies. In connection with our audit, we did not have any such findings.
- Section 10.554(1)(i)6., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the special purpose financial statements. The Property Appraiser was established by the Constitution of the State of Florida, Article VIII, Section 1(d). There were no component units related to the Property Appraiser.
