**Notes to Nassau County Board of County Commissioners Cash and Investment Report
for the quarter ended 03/31/15:**

- 1). Total NAU account balance at 03/31/15, including operating account, reserve account, customer deposits, connection fees, and net of reimbursements due, was \$8,325,901.64
- 2). The State Board of Administration (SBA), established by FL Statute 218.405, is responsible for the management of the Local Government Investment Pool (LGIP). On November 29, 2007, SBA Trustees froze assets held by the pool due to an unprecedented withdrawal of funds and a lack of market liquidity for some of the securities within the pool. On December 04, 2007, the assets in the LGIP were divided into two portions, Fund A and Fund B, and November interest earnings from the LGIP were included in Fund B as a reserve fund.
The BOCC had a beginning balance of \$7,991,928.91 in Fund B in December of 2007. As of 9/30/14, all BOCC funds had been recovered. In addition, on May 22, 2015, Governor Scott signed legislation to distribute the remaining reserve funds of approximately \$43 million (resulting from the sale of Fund B assets, as well as a legal settlement with Lehman Brothers) to November 2007 LGIP participants. The Nassau County BOCC's share is estimated at approximately \$100,000 and receipt is anticipated in early July, 2015.
- 3). BOCC investment funds include \$6,101,037.08 in an agency fund related to the financing of the SAISSA beach renourishment project.
